

# MCOB School District - COVID-19 Procedures - February 4<sup>th</sup>, 2022

As the pandemic continues the MCOB District adjusts our practices and procedures. The district will implement the following procedures going forward. Close contacts identified at school will be notified **via text message and email via the district communication platform** that they are a close contact exposure to a confirmed positive COVID case. This flow chart will be followed for close contacts, positive COVID tests, and illness.

## **Student/Staff Identified Close Contact**

No symptoms (asymptomatic)

Fully Vaccinated

Return to School

Unvaccinated

Parent option to continue to send student to school

*Monitor student symptoms and keep students' home if any symptoms are present*

Symptoms of illness (symptomatic)

Fully Vaccinated

Unvaccinated

*Students who are ill should stay home until symptom free or return after 5 days with symptoms improved. In all cases the student should be fever free for 24 hours without the use of medication.*

## **Positive COVID Test of a Student/Staff Member**

No symptoms (asymptomatic)

Isolation for 5 days

Return to School

Symptoms of illness (symptomatic)

Isolation for 5 days

Return to school when symptoms diminish (no fever)

## **Positive COVID in the Home of a Student/Staff Member**

No symptoms (asymptomatic)

Fully Vaccinated

Return to School

Unvaccinated

Parent option to continue to send student to school

*Monitor student symptoms and keep students' home if any symptoms are present*

Symptoms of illness (symptomatic)

Fully Vaccinated

Unvaccinated

*Students/Staff who are ill should stay home until symptom free or return after 5 days with symptoms improved. In all cases the student should be fever free for 24 hours without the use of medication.*

## **Staff/Student Illness (not identified as a close contact to a positive COVID case)**

3 options; (1) Note from health care provider, (2) test for COVID (lab or at home test) and send us results, (3) stay home until symptom free or return after 5 days with symptoms improved. In all cases the student should be fever free for 24 hours without the use of medication.
